

With our website, you all have the ability to do some things (if you wish) to make your communications and scheduling easier. **You must login** to have access to these features.

Once logged in, simply go to your **Team Page** and do the following:

**Practice Scheduling** - You can set the practice schedule online and direct players/parents to view it there

The screenshot shows the PYFL website interface. At the top is the PYFL logo with the tagline "Building Character - Encouraging Leadership". Below the logo is a navigation bar with buttons for "PYFL", "Teams", "Contacts", and "+ Tab". On the left side, there is a vertical menu with options: "COWBOYS", "Contacts", "Schedule" (highlighted), "Calendar", "Roster", "Results", "Multi-Schedule", and "+ Add Page". Below the menu is a search bar.

The main content area has filters for "Season: 2013", "League: JV/Varsity", and "Team: Cowboys". A banner reads "NEW in 2013 - 'No Contact' Flag Football this Fall for K-1... Register ONLI". The "Event Schedule" section is titled "JV/Varsity > Cowboys" and contains a table with columns: "Date", "Time", "Event", "Type", and "Field".

A callout box points to the "Options" menu, which is open and shows the following options: "+ Add new event", "Link to this page", "Add to Google Calendar", "Subscribe to calendar", "Export schedule", and "Print Schedule".

At the bottom, it says "Sponsored By:" followed by the logo for "Paul G. White Interior Solutions".

# Emailing Team - No need to maintain an Email Distribution List

### Cowboys by Paul G. White

WELCOME

Welcome to the Cowboys's home page. Here's where you can get all the latest information specific to this Team. Check back frequently to stay current as the season progresses. Use the left hand menu to get specific information such as:

- Get scheduling information in list (**Schedule**) or **Calendar** format
- View team **Rosters** with full contact information when logged in with your Team's password
- View game **Results** for the current season
- Create custom schedules for specific Teams (**Multi-Schedule**)
